## Summary Description

UCSF Housing Services provides housing and related services to students, postdocs, residents, clinical fellows, faculty, and staff. We provide housing and related services in support of UCSF's mission. We aspire to create a desirable housing program for UCSF affiliates in a variety of safe and well-maintained rental communities. Housing is available at the UCSF Parnassus Heights, Mount Zion, and Mission Bay campuses. We do not ask for security deposits, application fees, or background checks, making it easy to apply and move to San Francisco with ease. Other services offered are short-term lodging listings, off-campus rentals, and a roommate finder.
