PATHOLOGY 198 Supervised Study (1-6 Units) Fall, Winter, Spring, Summer

Instructor(s): Staff

Prerequisite(s): Consent of instructor.

Restrictions: None

Activities: Independent Study, Project

Pathology 198 allows MS4s to design and pursue in-depth study or a project with faculty supervision within a specific area of interest in pathology. It reinforces self-directed study, an important component of the lifelong learning expected from a physician. Please see <http://meded.ucsf.edu/mse/supervised-study-approval-form> for additional background information, including the types of projects that are suitable for this course.
