PATHOLOGY 140.02 Off-Campus Clerkship (3-6 Units) Fall, Winter, Spring, Summer
Instructor(s): Staff
Prerequisite(s): Completion of core clerkships. Third or Fourth year standing.
Restrictions: None
Pathology 140.02 provides an elective opportunity for students to explore Pathology outside the traditional Pathology elective format. Rotations in off-campus hospitals within the UC system or at another institutions fit into this category. Students will learn diagnostic pathology skills pertinent to their field of interest in general or sub-speciality fields of Anatomic Pathology.

School: Medicine
Department: Pathology

PATHOLOGY 170.01 Introduction to Pathology (1 Unit) Fall
Instructor(s): Raga Ramachandran
Prerequisite(s): None
Restrictions: None
Activities: Lecture
This course provides students with an opportunity to gain an in-depth and in-person introduction to the field of pathology. A speaker series featuring pathologists from many subspecialties and all stages of training, students will learn the roles, duties, and unique opportunities offered by careers in pathology. Expect to come away with a new understanding of “The Doctor's Doctor.”

Pathology 198  Supervised Study  (2.5-5 Units)  Fall,  
Winter, Spring, Summer
Instructor(s): Staff
Prerequisite(s): Consent of instructor.

Restrictions: None

Activities: Laboratory, Fieldwork, Independent Study, Project, Web work

Pathology 198 allows MS4s to design and pursue in-depth study or
a project with faculty supervision within a specific area of interest in
pathology. It reinforces self-directed study, an important component
of the lifelong learning expected from a physician. Please see http://
meded.ucsf.edu/mse/supervised-study-approval-form for additional
background information, including the types of projects that are suitable
for this course.
