Visit program website. (<https://finaid.ucsf.edu/>)

## Summary Description

Student Financial Services (SFS) is dedicated to helping find the resources needed to support educational costs while attending UCSF. There are a variety of documents needed to be considered for financial aid. Please review the application process (<https://finaid.ucsf.edu/application-process/apply-for-aid/>). The SFS website should have everything you need to learn about the types of financial aid available to students at UCSF, including how to contact the office (<https://finaid.ucsf.edu/about-us/contact/>).

Satisfactory Academic Progress: Students receiving financial aid are required to make satisfactory progress toward their degree objectives. The specific definition of satisfactory progress varies from one curriculum to another, and a copy of the applicable policy is sent to each entering student during the first quarter of enrollment. View general eligibility criteria and policies for individual programs (<https://finaid.ucsf.edu/application-process/eligibility/>).
