Summary Description

Student Financial Services (SFS) is dedicated to helping find the resources needed to support educational costs while attending UCSF. There are a variety of documents needed to be considered for financial aid. Please review the application process ([https://finaid.ucsf.edu/application-process/apply-for-aid/](https://finaid.ucsf.edu/application-process/apply-for-aid/)). The SFS website should have everything you need to learn about the types of financial aid available to students at UCSF, including how to contact the office ([https://finaid.ucsf.edu/about-us/contact/](https://finaid.ucsf.edu/about-us/contact/)).

Satisfactory Academic Progress: Students receiving financial aid are required to make satisfactory progress toward their degree objectives. The specific definition of satisfactory progress varies from one curriculum to another, and a copy of the applicable policy is sent to each entering student during the first quarter of enrollment. View general eligibility criteria and policies for individual programs ([https://finaid.ucsf.edu/application-process/eligibility/](https://finaid.ucsf.edu/application-process/eligibility/)).
