Summary Description
Student Life advances student success by fostering community through engaging programs, resources, and services that support the holistic development of students.

Student Life is a campus-wide student service, providing programs and resources for UCSF students in all professional schools and the Graduate Division. We are a community resource offering services, building partnerships, and enhancing the campus experience. We bring existing University programs and services to students and develop diverse and innovative programs and activities that enhance the quality of student life.
